SCHOOL OF MINISTRY

VISION

God has promised & commanded me to awaken 10,000 firebrand ministers. A firebrand in scripture was a stick of fire wood pulled from a bon-fire to be used like a torch, spreading the flame & dispersing darkness.

Sampson took a firebrand & lit the tails of 300 foxes & sent them running through an enemy's crops...that's quite an image! That's why we have launched this Firebrand School of Ministry & our motto.... is "If you've got 'em, light 'em!"

Our God Reigns,
Pastor Randy Dean
School President

Why is such a thing needed? Because we are in the middle of a new American Awakening. The Holy Spirit is no longer "hovering above the chaos", He has plunged into the heart of this nation & Kingdom Revival is, IS, IS upon us! A new countercultural wind is blowing in the Body of Christ & while that gale force has been active in me for over 30 years, only recently, while attending a leadership conference at my new spiritual covering in Redding, California, when challenged to ask God for a fresh baptism in fire, I heard God speak to me, "You've faithfully communicated the Kingdom for 25 years...from this day forward you will demonstrate the Kingdom in Healing power". I've been smoldering ever since....

This school of ministry will not be a place of knowledge alone, but a place of impartation. What one generation fought for & won should not be a stopping place, but a new beginning point for the next generation to build upon & increase.

We will not be a reaction to the current Christian culture, fixated too often on "going to heaven", however we will desperately, passionately & "with loud crying and tears" (Hebrews 5:7) seek to create a Kingdom Culture with a laser like focus on bringing heaven to earth.

American Christianity is not at risk for lack of information or schools. It is in need of 3 things, which form the nucleus of our vision:

1. Generational Impartation; Elijah to Elisha 2 fold increase.
2. Holy Spirit Conversion; the Baptism of Fire from Jesus.
3. Healing of and through authentic spiritual authority in the 5-fold ministry (apostle, prophet, evangelist, pastor & teacher).

Our Mission

Firebrand School of Ministry's mission is to equip & deploy full time ministers, whose core value is, "On earth, as it is in heaven" into the full spectrum of life on earth; artists, politicians, entrepreneurs, inventors, home-makers, church workers, & servants of all descriptions. Out of their authentic passion, they will transform the world through the communication & demonstration of the Kingdom of God.

The Experience

- Our school is based on Bethel's School of Supernatural Ministry
- Our style is "do & teach". You will minister regularly inside & outside of the church in various areas of ministry.
- This school will not be a place of knowledge alone, but a place of impartation
- You will learn core Kingdom values, how to bring heaven to earth, living a Holy Spirit inspired life, & much more!
- There will be opportunity to travel with Pastor Randy & Pastor Darren on Missions trips.

SECOND YEAR PROGRAM:

In the second year, the internship will be specialized training & mentoring for the student's specific areas of ministerial calling. This will be conducted by our various Pastoral staff.
